Captains' Welcome To The 2010 Summer Meeting

We would like to extend a very warm welcome to all Members of Nefyn and District Golf Club, their guests and our many visitors to the programme of golfing events during this year's Summer Meeting.

We hope you all have an enjoyable and relaxing time both on and off the fairways over the two weeks and that the weather allows us to leave our waterproofs and thermals at home!

Captain's Day will be held on the middle Saturday of the Summer Meeting this year and the Captain looks forward to welcoming you all around the Clubhouse as well as on the tee, and hopes you will join him in the evening for a buffet and dancing to "Dance after Dinner".

We would also be delighted if everyone could join us for the traditional Captains' Cocktails on the evening prior to Captain's Day, Friday 6th August, at 6 pm.

May we also take this opportunity to invite you to take full advantage of the Clubhouse bar and dining facilities during the Meeting and support the programme of social events that will be organised throughout the fortnight.

With best wishes,

Geraint W. Hughes

CARE OF THE COURSE

Holes in Bunkers.

Before leaving a bunker, a player should carefully fill up and smooth over all holes and footprints made while playing.

Replace Divots; Repair Ball-Marks and Damage by Spikes.

Through the green, a player should ensure any turf cut or displaced is replaced at once and pressed down. All pitch marks are repaired in the correct manner. Damage to the putting green caused by golf spikes should be repaired *on completion of the hole*.

Damage to Greens- Flagsticks, bags, etc.

Players should ensure that, when putting down bags or the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, in handling the flagstick or in removing the ball from the hole. The flagstick should be properly replaced in the hole before the players leave the putting green. Players should not damage the putting green by leaning on their putters, particularly when removing the ball from the hole.

Damage through Practice Swings.

In taking practice swings, players should avoid causing damage to the course by removing divots, particularly on the tees.

Buggy / Caddy Cart

Members are requested not to take their buggy / caddy car on to the tees, or the aprons surrounding the greens.

Dress

Please observe the dress code, which is posted on notice boards in the Clubhouse as well in the Professional's Shop.
